**World Board Membership:**
There will be a total of 2 possible openings on the World Board at the upcoming conference. If nominated and elected, your commitment would be to serve a 6 year term. We recommend that you examine pages 14-19 of *A Guide to World Services in Narcotics Anonymous*. Here, the Guide explains the qualifications necessary to serve on the World Board, terms of office, as well as the general duties of the World Board, its committees, and the World Service Office.

Serving the fellowship of Narcotics Anonymous in this capacity is no small task. Although all travel is fully funded by NAWS, the time commitment is extensive. You will be asked to attend four to six board meetings per year at the World Service Office in Chatsworth, California. Each of these meetings is usually three days long including a day for travel set aside at the beginning and end of each meeting for a total of five days per meeting. The World Service Conference is seven to nine days in length with two travel days as well. This is approximately 30 to 40 days of travel per year at a minimum. In addition to this basic travel, you may be assigned specific projects which could include additional travel days, and you may be asked to attend multi-regional/zonal workshops and fellowship development trips.

In addition to the traveling there will be a great deal of communication in the form of postal mail, telephone calls, conference calls, fax, and email. You will need to be prepared to commit at least four to six hours per week in order to complete your work between board meetings.
