Building Strong Home Groups
Welcome

we are here to look at the

Practices

that contribute to building a strong home group

A group’s practices are it’s deliberate specific efforts to enhance the atmosphere of recovery and move toward the ideals of a strong home group
Listening is an act of respect for others.

Be sure that everyone participates; don’t dominate.

Don’t forget our Fifth Tradition; We all love NA!

Stay focused on the subject at hand.

To disagree without being disagreeable. . . that is OUR process!

One more time—avoid repetition.
Brainstorming Guidelines

One good idea leads to another... good idea.

"No" and "can't" do not exist.

Listen and seek input to enhance your understanding.

Creativity has no limits.

Be part of—participate.

Think fast, analyze later... judging, evaluating, and criticizing are not brainstorming.

Learn from the past, but be willing to challenge your assumptions.

Freely share your thoughts and perspective.

And above all... HAVE FUN!
Ice breaker

Q1. What is a home group?
Q2. What does a home group mean to you?
Q3. What specific actions does your group do to enhance an atmosphere of recovery?
Q4. What is the format of your home group?
