

# Building Strong Home Groups

# Welcome

we are here to look at how

# Ideals

contribute to building a strong home group

A groups ideals are the principles that the group and it's members demonstrate in their week to week affairs.

These ideals express themselves in countless ways. Some groups reach these ideals smoothly and naturally, other groups work hard to meet their potential

# Groundrules

Listening is an act of respect  
for others.

Be sure that everyone  
participates; don't dominate.

Don't forget our Fifth Tradition;  
We all love NA!

Stay focused on the subject  
at hand.

To disagree without being  
disagreeable. . .  
that is OUR process!

One more time—  
avoid repetition.

# Brainstorming Guidelines

One good idea leads to another...good idea.

"No" and "can't" do not exist.

Listen and seek input to  
enhance your understanding.

Creativity has no limits.

Be part of—participate.

Think fast, analyze later... judging, evaluating,  
and criticizing are not brainstorming.

Learn from the past, but be willing  
to challenge your assumptions.

**Freely share your thoughts  
and perspective.**

And above all...

**HAVE FUN!**

# Ice breaker

If you were the one

**naming**

your home group

**what**

would it be?

Q1. **What is a home group?**

Q2. **What does a home group mean to you?**

Q3. What spiritual principles does your home group practice?

Q4. Why is consistency and commitment important to a home group?

# Wrapping Up

We are going to be  
**returned**  
to the main room in a  
**moment**  
then each group  
will get an opportunity to  
**share**  
some of our answers
