

## WELCOME TO THE CRENA!

CRENA is the Regional Convention of Narcotics Anonymous Spain and will celebrate its XXXVIII edition on May 27-28-29 in Bilbao. After two years without being able to organize, this occasion deserves to be memorable.

The Northern Area has set out to prepare an ambitious event, with a unique and innovative concept.

Bilbao will become the universal capital of recovery for a weekend. The congress center *Bizkaia Aretoa* will host our party, with very special content. Accommodation will be at the discretion of the attendees.

We encourage our members and their families to spread this good news and join our motto: **"ILUSIONA"**.
