SIKKIM | IRCNA XI
24th, 25th & 26th November, 2022

HOSTED BY SIKKIM ASC
AT RENDEZVOUS HOTEL, GANGTOK
Our addiction enslaved us. We were prisoners of our own mind and we felt lonely condemned by our own guilt and fear. We gave up the hope that we would ever stop using drugs. Our attempts to stay clean always failed, causing further pain and misery.
Road to Recovery
However, after coming to Narcotics Anonymous our perspective has changed, addiction is no more a hopeless condition from which there is no recovery. We realise that there is hope for us at last, as we see that the ultimate weapon for recovery is another recovering addict.

Even the tone of our voice has changed now we say: 'Surrounded by fellow addicts, we realized that we were not alone anymore.' (Why are we here, Basic Text) and 'With the help of our Higher Power, we never have to use again.' (Just for Today, Basic Text)

It is not the 'I' but the 'WE' that gets the heart of Narcotics Anonymous beating. So come join us this November 24th 25th and 26th, 2022 for IRCNA XI and let the spirit of the Sikkim’s mountains breathe in a new life into you as we see, hear and feel the experience of being 'Never Alone Never Again'.
