Whether it's been a day or many years, every milestone is worth celebrating!

NA Kathmandu is proudly celebrating 30 extraordinary years! We are excited to share our joys and miracles with you. The very first NA meeting in Kathmandu took place on September 26, 1994, with the founding group named Everest Home Group.

CELEBRATING OUR 30th ANNIVERSARY: 1994-2024

NA provides us with a Path, a Process, and a Way of Life. Life itself is a journey, one we've experienced both individually and as a fellowship. Embracing our theme, “Show us how to live,” we continue to grow, becoming bigger and stronger with each passing year.

Join us from November 29 to December 1, 2024, for our anniversary celebration.

WE WARMLY INVITE YOU TO CELEBRATE WITH US!
