WHY REGISTER

Your convention registration is used to pay for the hotel and convention facilities, associated services for equipment, maintenance, printing, registration packets, and administrative expenses. We believe once you understand it is the income from your registration that makes this event possible, and the registration funds we collect are used for the planning and implementation of this and future Northern California Conventions, the reasons for registering become clear. It is the support of each member’s registration or donation that helps make our convention a success.

Thank You!
Northern California Convention of Narcotics Anonymous Committee

NEWCOMER REGISTRATION

The number of newcomer registrations given out will correspond to the number of donations that are received. newcomer registrations are reserved for newcomers with less than thirty (30) days clean time, who cannot afford the price of registration. WHY VOLUNTEER FOR SERVICE

Hundreds of volunteers are needed to ensure the very best convention experience for all members. Being of service at NCCNA XLV can offer ANY addict the opportunity for spiritual growth.
Enhance your recovery experience by volunteering at this year’s convention and discover a new way of life through selfless service.

BE A TOPIC OR MARATHON SPEAKER, OR A SECRETARY...

You can be a speaker at a marathon meeting if you have at least 1 year continuous clean time, by March 1, 2024.
You can even secretary a marathon or topic meeting!
If you have at least 3 years continuous clean time, by March 1, 2024, you can be a speaker at a topic meeting!
There’s no greater way to carry the message than to share your experience, strength, and hope with other addicts!

WHY BOOK A HOTEL ROOM?

It is the responsibility of the NCCNA Committee to ensure that our fellowship receives the best hotel rates while attending the convention. To secure those rates, we need to commit to a certain number of rooms, called a “block.” NCCNA is financially responsible for filling that block. As long as members are willing to reserve these rooms, we will not be in danger of facing large financial penalties.
Help us ensure we meet our room block obligation.
Thank you!
