

WHY- PRE- REGISTER?

The answer is easy- to save money! Pre-Registration is always cheaper than registration on-site. However, this is not the only reason to register early. When we register and buy event tickets in advance, the Convention Committee is able to better plan to meet everyone's need at the convention as well as remain self-supporting.

Our Seventh Tradition states,
"Being self-supporting is an important part of our new way of life."
