Conduct Statement:

The CANAC committee asks that you help maintain the condition of all facilities. We need to remember that our personal conduct reflects our program in action. Our behavior becomes a direct influence on the opinion others make about our fellowship. Please keep the noise level in rooms and hallways to minimum; not all guests are attending this convention.

Why Do We Pre-Register?

Many convention participants ask the questions: "Why should I register? What do they do with the money?" The money collected from registration is used to pay for the hotel facilities we use during the convention and associated service expenses. Some of these expenses include rooms for meetings, banquets, coffee, dances, general supplies, printings, signs, and tickets for special events.
