Duties and Responsibilities:

1. Three (3) different bids are submitted for consideration.
2. All items selected by the Committee must be presented to the entire Board for final approval.
3. Sample merchandise items and proposed pricing are to be presented to FRC Board for approval at the March FRC Board meeting.
4. This Committee also has the responsibility for seeking bids for the development and production of the Convention Banner or banners and any signs needed for all committees.
5. The Merchandise Committee will submit a complete summary of information regarding the ordering, marketing, pricing and shipping of the items recommended for sale at the Convention, and the time frames for obtaining the items. The FRC BOD CFO will ultimately decide the amount of merchandise ordered and the selling price for these items.
6. Pre convention merchandise sales help promote the event across the regional. A member of this committee will be at attendance at all fun-raisers and as many other NA events as possible, to sell pre-con merchandise.
7. The chair will deliver all receipts and purchase orders along with a list of outstanding pre-con inventory items to the CFO at the monthly Support Committee meeting.
8. The Merchandise Committee will follow the store hours established in this policy package.
9. During the Convention, volunteers will be needed to man the tables in the store. Members working the cash register during the convention are assigned by the CFO (see CFO responsibilities for details.)
10. Due to the handling of large amounts of money, it is required that anyone working with the cash drawer has at least three (3) years clean time.
11. All money collected prior to the convention by this Committee will be turned over to the CFO within 7 days.

12. Attendance is required at the convention site the day prior to the convention for organization and inventory.
13. At the close of the Convention this committee will perform a close out inventory and packing.

Fun-Raising/Entertainment

The Committee is comprised of two (2) representatives elected from each Area within the Florida Region, along with the FRC Board member as the Chairperson.

At the RSC, all RCM's are asked that their areas hold a fun raiser, individually or in conjunction with surrounding Areas. FRC BOC will provide up to \$200.00 seed money for this event if needed.

Duties and Responsibilities:

1. The fun-raising Chairperson should stay in touch with Area Activities Chairpersons and provide any support that they feel they may need.
2. Someone from this Committee will attend all fun-raisers for support and collect any funds generated and then immediately turn them over to the CFO within 7 days of receipt.
3. Preview and recommend DJ's or a band for the fun raiser
4. Committee is also responsible for recommending entertainment activities; DJ's or bands to be used at the Convention.
5. Arrange for all other forms of entertainment, which are to be provided in conjunction with the convention. There are many activities that the committee can put on besides dances. Some that have been done in the past are pool parties, comedy shows, a coffee shop with either professional or fellowship entertainers, tug of war, volleyball and many other games and contests.
6. It is also the responsibility of this Committee to set up the decoration at the convention dances and the banquet keeping within the budget.
7. Purchasing and setting up decorations, securing volunteers to collect money and sell raffle tickets.
8. Anyone handling money must have at least 3 years clean time.
9. Prior to distribution of all posters and flyers must be approved by the Board.
10. When designing flyers, remember that they are released into hospitals and institutions as well as other facilities, which relate to NA. Appropriate use of language and lithography is crucial because these flyers, in a sense, represent NA to the public. If a performer is performing, a promotional picture or logo should not appear on the flyer as this is promoting an outside enterprise; however, names of performers, hotels, golf courses are appropriate information on the flyer with a disclaimer. It should be noted on the flyer that NA is not affiliated with any outside enterprises listed on the flyer.
11. Posters and flyers must be distributed two (2) months prior to the fun raiser. Research should be done in the surrounding areas to insure that there are no other NA functions going on at the same time.
12. All actions of this Committee are subject to approval by the Board. All events should be planned, taking into consideration the Program and times for each event should be included in the Convention Program.

Marathon

The Marathon Committee is comprised of two (2) representatives elected from each area within the Florida Region along with the FRC Board member as the Chairperson.

Duties and Responsibilities:

1. Secure people to chair Marathon Meetings
2. Responsible for keeping the meeting running smoothly
3. Select the format for the marathon Meetings, although experience has shown that the best format seems to be opening the meeting at the beginning of the Convention with any necessary readings, and then having the Chairperson open the meeting up for discussion. Subsequent Chairperson will then only introduce them and carry on the discussion taking place at the time. This is in contrast to each Chairperson opening and closing separate meetings. If needed, they suggest topics. Typically most chair people bring their own topics.
4. Secure Chairpersons by distributing flyers or request letters at the FRSC and at ASC's. When you have enough names you can draw them from a hat or assign them to particular time slots. Replies are mailed out to all Chairpersons to inform them of their respective time and day to chair.
5. Post a list of the Chairpersons and their times to chair outside the Marathon room as a convenient reminder.
6. One way to get chair people is to go over the registration forms for people who had requested to chair a meeting, or get list from FRSO.

Registration

The Registration Committee is comprised of two (2) representatives elected from each area within the Florida Region along with the FRC Board member as the Chairperson.

1. The first task is to design a registration flyer, which must be done will in advance (at least 8 months prior to the Convention) and approved by the FRC Board.
2. The registration form should be written with clarity, organization, and ease of understanding in mind. All information that could possibly be needed must be considered and included on the registration form. The cut off date or pre-registration should appear on all registration forms.
3. Once approved by the FRC Board, it is the responsibility of the Registration Chair to ensure that the flyers are produced and distributed throughout the fellowship as soon as possible. (The RSO should be used for production and distribution unless more cost effective measures are found.) The RSC shall also be used as a resource for distribution of flyers to the RCM's at the RSC. Other recipients are to include: All known fellowship Webistes, WSO News Line, NA Way and other Regional Delegates and any other known interested groups or members.
4. A minimum order of 10,000 flyers ~~shall~~ should be purchased for the first printing. (Motion 2007-05 1-21-07)
5. The procedures for handling registration money can be found in the CFO's guidelines.
6. The Committee shall select contents for the packet based on the approved budget line item

7. The budget set for the registration packet shall include any and all items that are associated with the packet; including envelopes, badges, tickets, small trinkets, ribbons and anything else the Committee wishes to put in the packets. After this is done, prices for items to be included in the packet should be obtained.
8. Bids for prices should be solicited from at least three (3) different vendors; one of the 3 vendors must be the RSO. After this is done and the Support Committee and the FRC Board approves the items, the items will then be ordered.
9. Final preparation for the Convention includes buying all supplies for the Registration table, assembling packets, ordering banquet & Committee ribbons and having all records of pre-registrations up to date. A number of indigent packets must be made for NA members who cannot afford to register.
10. No person should be turned away.
11. Volunteers are required to sit at the registration table. A suggested shift for a team to work is two (2) hours.
12. The Registration Time Schedule in the Policy Package will be followed.
13. A member of the Registration Committee will attend all fun-raisers.
14. Attendance is required at the convention site the day prior to the Convention for set-up.

The following work is handled by the FRSO for the Registration Committee:

1. As each registration is received, a record shall be made indicating information about the registration and all money received. If free registrations are given out at fun raisers, the Committee must keep careful records of what is provided and to whom, and provide this information to the FRSO.
2. A record system must be established to record all pre-registrants. A record of registrations, banquets, clean time and area or state must be kept. A record of registrations of those individuals who are non-addicts must be kept also.
3. Once a month, and then weekly beginning six (5) weeks prior to the convention, the Registration Chair shall contact the RSO to be apprised of the registration status.
