THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the groups springs from our Traditions.

As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose - to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

TWELVE CONCEPTS OF NARCOTICS ANONYMOUS SERVICE

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

I. Name

The official name for this committee shall be the South Dade Area Service Committee, hereinafter referred to as South Dade ASC or South Dade Area.

II. Description

The South Dade ASC is a service body of Narcotics Anonymous directly responsible to the groups who have formed it. It consists of group service representatives (GSRs) from NA groups within the South Dade Area, along with elected officers, subcommittee chairpersons, coordinators and other participants, who meet monthly in an Area Service Committee to serve the common needs of the South Dade Area's groups and NA members. All ASC meetings are open to all NA members.

III. Purpose

The South Dade ASC has been created by the Narcotics Anonymous groups of the South Dade Area to develop, coordinate, and maintain the services that may be required by the South Dade Area groups to help further our primary purpose.

The South Dade ASC shall provide a forum that allows the South Dade Area groups to effectively communicate their needs or concerns, and share their experience with one another. The most important service, that the South Dade ASC provides, is of its groups' support. Whenever a group has a specific situation or need, which it has not been able to handle on its own; it can come to the Area Service Committee for help. These situations are almost limitless in scope; however, we have learned that we can get much accomplished when we work together.

In order to provide these services, an ASC needs the active participation of its GSRs. A group supports its Area Service Committee both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an Area grows, the financial needs of the Committee also grow. In order to provide a full line of services it requires a steady, reliable flow of money. Some Areas provide these funds through activities. These alternate courses of financial support are helpful, but the bulk of the responsibility still falls on the members of a group.

IV. ASC Services

The South Dade ASC shall provide a GSR Orientation Hour (open to anyone interested) on ASC Sunday, from 9:00am to 10:00am. This hour is to be facilitated by the Vice-Chairperson. It shall include orientation on our Procedural Guidelines, the GSR Guide, the Twelve Traditions of NA and the Twelve Concepts of NA Service.

- All new groups shall be provided with a "Starter Kit".
- All active groups shall receive a copy of the Conference Agenda Report (CAR).
- All participants of the ASC shall receive a copy of the South Dade ASC Procedural Guidelines provided by the ASC Secretary.
- All GSRs shall receive a copy of the South Dade GSR Guide provided by the ASC Vice-Chairperson or Secretary.

V. Meetings

1. Regular Meeting

The regular meeting of the South Dade ASC shall be the second Sunday of every month. All ASC meetings are open to any interested NA member.

2. Special Meeting

A special meeting or unscheduled meeting may be called to resolve a particular issue or question of significant importance or adopt resolutions pertaining to the ASC and NA as a whole. Special meetings may be called by any participant of the South Dade ASC, subject to a simple majority vote of the Administrative Subcommittee.

Proper notification of all voting participants is required, this being defined as a reasonable attempt by mail or phone to contact all voting participants. A two-thirds (2/3) majority of all voting participants must be present at a special meeting to establish quorum.

VI. Attendance

When a GSR is not present for two (2) consecutive ASC meetings, his or her group will no longer be on the Roll Call or part of quorum. When a GSR returns to an ASC meeting, the group will be included once again.

All elected participants shall attend all ASC and Administrative Subcommittee meetings. In the event an elected participant misses two (2) consecutive ASC meetings or Administrative Subcommittee meetings, impeachment procedures shall commence automatically.

VII. Order of Business

An agenda is required for the necessary introduction of business (old or new) and must be made available to participants at the regular meeting of the ASC. It shall consist of the following:

VIII. Participants

There shall be three (3) categories of participants in the South Dade ASC: voting participants, non-voting participants, and observers.

1. Voting Participants

Each voting participant shall be allowed one (1) vote on all matters coming before the ASC. A voting participant of the South Dade ASC shall be defined as the following:

- Group Service Representative (GSR) or GSR Alternate in their absence;
- ASC Chairperson in the event of a tie;

2. Non-Voting Participants

Each non-voting participant shall be allowed to debate, question, enter, or second motions or nominations, present reports, present points of personal privilege, call for points of order and question the Chairperson.

However, non-voting participants shall not be allowed to:

- Vote on motions
- Vote on nominations
- Vote on any other matters requiring a vote
- Appeal the decision of the Chairperson

A non-voting participant of the South Dade ASC shall be defined as the following:

- ASC Officers: Vice-Chairperson, Secretary, Assistant Secretary, Treasurer, Assistant Treasurer, Regional Committee Member, Regional Committee Member Alternate, and Tax Compliance
- Subcommittee Chairperson, Coordinator, and Ad Hoc Subcommittee Chairperson
- Past Administrator
- Observers

3. Observers

Narcotics Anonymous members that are not addressed elsewhere in these guidelines shall be observers. Narcotics Anonymous members shall have the specific right to request the floor. The Chairperson has the exclusive right to grant or deny such request. The Chairperson's decision is subject to appeal and may be overturned by a two-thirds (2/3) majority vote.

IX. Quorum

A quorum of the ASC is the number of participants entitled to vote who must be present in order to conduct business. An official quorum must be established to conduct business. It is the Chairperson's duty to determine that a quorum is present.

1. Quorum Defined

The South Dade ASC may conduct business when simple majority or one more than 50% of voting participants must be present. In order to establish an accurate quorum, any group not represented at two (2) consecutive ASC meetings shall be dropped from the Roll Call.

2. Quorum Call

A quorum call from the floor is always in order. If eligible voting participants leave the ASC meeting before all business has been conducted, thus dissolving the quorum, normal business requiring a vote shall not be conducted in their absence. A simple majority (50% plus one) of the original quorum must remain in order to vote.

X. Motion Procedures

All new main motions must be submitted before the start of New Business. Motions for new business shall be sorted into the following categories and entertained and resolved within each category in the order they are received.

1. Financial Motions

- Motions for reimbursement of funds
- Motions to increase budget
- Other money motions

2. Other Business

- Group and Subcommittee Motions
- Procedural Motions

3. RSC Motions

- Motions that require an Area conscience to be carried to the next RSC meeting

XI. Main Motions

A main motion is a formal proposal by an ASC participant requesting that the South Dade ASC take certain action. A main motion is a motion whose introduction brings new business before the ASC. All main motions must be made in writing and accompanied by a written intent. The motion should be clear, concise, and comprehensive so the ASC will not be voting on the perceived intent. Participants are encouraged to ask fellow participants for help in wording motions, especially those who feel uncertain of their writing skills. The maker of the motion must be present for a vote to be taken.

Until the Chairperson states the motion, the maker of the motion is free to modify or withdraw it as he or she pleases. However, once the motion is stated by the Chairperson, the motion becomes the property of the ASC and must be disposed of in some manner. The maker is no longer free to modify or withdraw it, except with the unanimous consent of the ASC. If the motion is offered in wording that is unclear, it is the Chairperson's duty to see that the motion is put into suitable form before stating it, making sure to preserve its content to the satisfaction of the maker.

A main motion reflecting **Group Conscience** as returned from groups will be voted on the next ASC meeting and shall not be subject to being over-ruled by Parliamentary Procedures.

1. Motion Begins

Once a motion is submitted in writing, it comes up for discussion during New Business. This motion, before it can be considered by the other participants at the ASC meeting, must be seconded by another participant of the ASC. A "second" is an indication that the idea deserves consideration of the other participant of the ASC. A second may be made, in writing, prior to submitting the motion, or it may come from the floor. A motion made by the Administrative Subcommittee may not be seconded by an Administrative Subcommittee participant of the ASC. If there is no second, the matter will die for lack of a second.

2. Motion Seconded

Once seconded, however, it becomes the business of the participant of the ASC to consider the motion and debate its pros and cons. The Chairperson will usually call upon the participant making the motion as the first affirmative (i.e., in favor of) speaker, who will have a few minutes to explain the intent of the motion. When he or she is through, the Chairperson will ask for other participants who wish to speak for or against the motion. Debate on main motions is limited to two (2) pros and two (2) cons. Under limited circumstances, debate may be extended.

3. Motion Voted

Unless a motion to amend the motion is proposed, seconded, and accepted, or the motion is tabled or referred to a subcommittee, then debate is concluded and it is time to vote. (A two-thirds (2/3) majority vote is required to close, limit or extend debate.) A simple majority (50% plus one) of the votes cast by the voting participants is required for the motion to pass.

4. Unanimous Consent

This is a method that allows the ASC to move quickly through routine business or questions of little importance. This is a less formal way of handling business and is an alternative to taking a vote on a motion. If the Chairperson senses **no opposition** to a motion, he/she will state that

the motion is carried by unanimous consent, unless there is an objection. If there is no objection to this, the minutes will reflect that all of the voting participants were in favor. If a participant objects to this, the matter will go to a vote as prescribed for the motion.

5. Out of Order

Once a motion has been made, the Chairperson may rule it **out of order**. A motion may be ruled out of order for any one of a number of reasons: the motion goes against the ASC's Procedural Guidelines, clearly contradicts one of the Twelve Traditions or Twelve Concepts for NA Service, or is inappropriate at the particular point in the meeting at which it is made. Any voting participant of the ASC who wishes to challenge a ruling made by the Chairperson may *appeal* that ruling (see: "*Point of appeal*" under "Other Procedures"). If no appeal is made, or if the decision of the chair is upheld, the ASC moves on to other business.

XII. Parliamentary Motions

Parliamentary motions can be best understood as "sub-motions" made during debate on a main motion that affect that motion in some way. A few that seem to be the most practical are discussed below.

1. Motion to ADJOURN **SIMPLE majority required** **Is NOT DEBATABLE**

Any participant of the ASC may move to adjourn at any time. This motion is always in order, is not debatable, and requires a simple majority to pass. Obviously frivolous motions to adjourn may be ruled out of order. After all business is finished, the Chairperson may declare the meeting adjourned without a motion.

2. Motion to AMEND **SIMPLE majority required** **Is DEBATABLE**

This is the most commonly used parliamentary motion. During debate on a motion, if a participant feels that the motion would benefit from a change in its language, that participant can say, "I move to amend the motion . . ." and suggest specific language changes in the motion, as long as the idea or subject is not changed. A motion to amend must be moved and seconded before it can be debated. When debate on the motion to amend is finished, a vote is taken. Then debate resumes on the merits of the main motion (as amended, if the motion to amend has carried). When debate is finished on the merits of the main motion itself, a vote is taken and the ASC moves on to the next item of business. If the motion to amend does not pass, the ASC continues to debate the main motion, a vote is taken, and the ASC moves on to the next item of business.

3. Motion to CALL THE VOTE **TWO-THIRDS (2/3) majority required** **Is NOT DEBATABLE**

For our purposes, this may be the most important parliamentary motion. Use it often. This motion is made by a participant saying, "I call for the vote." It is another way of saying "I move that debate stop right now and that we vote immediately." This is one of many motions that can be used to prevent needless, lengthy debate once an issue is clearly understood. This

motion is in order after any speaker is finished. You need not be called on. The Chairperson must recognize you when you make this motion, and a vote must be taken with no debate. If two-thirds (2/3) of the voting participation feels that no more debate is necessary, a vote is taken and the ASC moves on to the next item of business.

**4. Motions to RECONSIDER or RESCIND
MAJORITY required varies
Is DEBATABLE**

Sometimes a participant feels that a motion the ASC has passed will prove harmful. That participant can move to either reconsider (reopen for debate and voting) or rescind (void the effect of) the original motion.

There are a few conditions on motions to reconsider or rescind:

- The motion must have been passed in either the last months or the current meeting.
- The participant making the motion must have information on the issue that was not available in the original debate on the motion.
- The participant must have been with the winning side in the original vote.

These limits are placed to protect the ASC from having to reconsider again and again the motions it passes while still allowing it to examine harmful situations it has created inadvertently. If any of these requirements are not met, the Chairperson will declare the motion out of order. ***The motion to reconsider requires a simple majority.*** The motion to rescind requires a simple majority, provided that participants of the ASC were informed prior to the meeting that such a motion would be made. ***If prior notice is not given, the motion to rescind requires a two-thirds (2/3) majority vote.***

**5. Motion to REFER
SIMPLE majority required
Is DEBATABLE**

Sometimes the ASC does not have enough information to make an immediate decision on a main motion. Such motions can be removed from debate and sent to either a standing subcommittee or an ad hoc subcommittee for further study. A participant saying, "I move to refer the motion to the such-and-such subcommittee" can do this. A motion to refer must be moved and seconded before it can be debated. If the motion to refer passes, the ASC moves on to the next item of business. If the motion to refer does not pass, the ASC may either continue debate the main motion or vote on it.

The subcommittee to which a motion is referred will take it up at its next meeting. The subcommittee will report back on what it has come up with at the next meeting of the ASC.

**6. Motion to REMOVE FROM THE TABLE
SIMPLE majority required
Is NOT DEBATABLE**

A motion that has been tabled can be taken up before the time originally set in the motion to table. Saying, "I move to remove from the table the motion to such-and-such" does this. If this motion passes, the motion that has been tabled becomes the main motion and debate on it

begins again. If the motion to remove from the table does not pass, the ASC moves on to the next item of business.

7. Motion to TABLE
SIMPLE majority required
Is NOT DEBATABLE

One way of disposing of a motion that is not ready for a vote is to table it. Saying, "I move we table this motion until such-and-such a date/meeting" does this. This motion is not debatable; if it is moved and seconded, it is voted on immediately. If it fails, debate continues on the motion itself. If it passes, the ASC moves on to the next item of business. The tabled motion will be included in the ASC agenda on the date specified.

8. Motion to WAIVE OR SUSPEND THE RULES
UNANIMOUS CONSENT required
Is NOT DEBATABLE

When a participant of the ASC wishes to do something during a meeting that would violate one (1) or more of its own regular rules, it can adopt a motion to waive or suspend the rules. The proposed action cannot be in conflict with any of NA's guiding principles. Any suspension of the rules requires unanimous consent for approval.

9. Request to WITHDRAW A MOTION
UNANIMOUS CONSENT required
Is NOT DEBATABLE

Once a motion is made and the debate begins, the maker of the motion may ask to withdraw it. The Chairperson asks if there are any objections. If there is even one (1) objection, the motion stays on the floor and debate resumes. If there are no objections, the motion is withdrawn and the ASC moves on.

XIV. Other Procedures

In addition to parliamentary motions, there are other ways in which participants may alter or clarify the proceedings. Here are a few of the most common:

1. Order of the Day
NO vote required
Is NOT DEBATABLE

If a participant of the ASC feels that business is going too far astray from the original agenda, that participant can help get things back on track. ***The participant may simply say out loud, "I call for the order of the day." This means, "I move that the Chairperson bring us back on track and conduct the meeting according to procedure, adhering to the agenda."*** This does not require a second, is not debatable, and does not even require a vote -- the Chairperson is obligated to enforce the request unless two-thirds (2/3) of the body informs the Chairperson otherwise.

2. Parliamentary Inquiry
NO vote required
Is NOT DEBATABLE

If a participant of the ASC wants to do something but does not know how it fits in with the rules of order, all a participant of the ASC has to do is ask. **At any time, a participant may simply say out loud, "Point of parliamentary inquiry." The Chairperson must immediately recognize the participant so that the person may ask how to do such-and-such.** The Chairperson will answer the question, possibly by referring to a specific passage in this document in explanation. A point of parliamentary inquiry needs no second, is not debatable, and is not voted upon.

**3. Point of Appeal
TWO-THIRDS (2/3) majority required
Is NOT DEBATABLE**

Any time the Chairperson makes a decision, that decision may be appealed. **Any voting participant of the ASC who wishes to appeal a decision may do so by saying, "I appeal the decision of the chair."** If the appeal is seconded, the Chairperson then asks, "On what grounds do you appeal my decision?" The voting participant states the reason(s). The Chairperson then speaks briefly to the intent of the ruling being appealed. The voting participant may not debate the ruling and the merits of the appeal. A vote is taken, requiring a two-thirds (2/3) majority to overrule the original decision of the Chairperson.

**4. Point of Clarity
NO vote required
Is NOT DEBATABLE**

This is a form of providing information in reference to a motion or item being discussed on the ASC floor. **This is not a pro or a con.** A point of clarity does not need a second; it is neither debatable nor to be voted upon. The participant raising the point of clarity may offer information to Chairperson or another participant of the ASC.

**5. Point of Information
NO vote required
Is NOT DEBATABLE**

If a participant of the ASC needs certain information before making a decision about a motion at hand, that participant can say at any time to the Chairperson, "Point of information." **This means, "I have a question to ask," not "I have information to offer."** A point of information does not need a second; it is neither debatable nor to be voted upon. The participant raising the point of information may ask the question of either the Chairperson or another participant of the ASC.

**6. Point of Order
NO vote required
Is NOT DEBATABLE**

If it appears to a participant of the ASC that something is happening in violation of the rules of order, and if the Chairperson has not yet done anything about it, the participant can ask the Chairperson for clarification of the rules at any time. **The participant may simply say out loud, "Point of order." The Chairperson then says, "What is your point of order?" The participant then states the question and asks the chairperson for clarification. If the chairperson agrees that the rules are not being followed, the Chairperson says "Your**

point is well taken” and restates the appropriate rule. If the chair does not agree, the chairperson says, “Overruled.” This decision, as all others, can be appealed.

7. Point of Personal Privilege
NO vote required
Is NOT DEBATABLE

If the air conditioner or heater is on too high, or if there is too much noise in the room, you can ask that something be done about it. If the matter is urgent, you may interrupt the proceedings by saying, “Point of personal PRIVILEGE:” if the matter is not particularly urgent, you are encouraged to wait until the person speaking has finished. Such a request requires no second, and the Chairperson must recognize you immediately. State the situation and ask that it be corrected. If your request seems reasonable, the Chairperson will accommodate you.

XV. Discussion

Discussion or debate on main motions and most parliamentary motions is limited to two (2) pros and two (2) cons. Participants of the ASC speaking on an issue in debate have two (2) to three (3) minutes in which to speak. Under limited circumstances, debate may be extended. A two-thirds (2/3) majority vote is required to close, limit or extend debate. Only one (1) issue will be on the floor at any one (1) time and no other debate is in order. A participant of the ASC shall speak only when recognized by the Chairperson; to be recognized participants shall raise their hand.

XVI. Voting Procedures

The role of the GSR as a voting participant in South Dade ASC regular meetings goes beyond that of merely carrying information to and from the group he or she represents. GSRs, through the authority delegated to them by their groups, should fully participate in the meetings of the ASC by responsibly exercising their best judgment and voting their informed individual consciences on day-to-day business of the South Dade ASC.

1. Regular Voting

All regular business voting shall be conducted by a show of hands vote. A simple majority vote (50% plus one) of the voting participants of the ASC, provided there is a quorum, shall reflect and record the collective conscience of the ASC for all regular business. The majority needed to pass a motion shall be determined from the total number of votes cast; abstentions stand alone, and do not count as part of the votes cast. Certain motions require two-thirds (2/3) majority vote to pass, these include:

- To change procedural guidelines
- To close, limit or extend debate
- To close nominations
- To elect a participant of the ASC to office
- To remove an elected participant of the ASC from office

- To take business away from a subcommittee that has not made a decision or a report on it, and return that business to discussion on the floor

A two-thirds (2/3) majority shall be determined from the total number of the votes cast; abstentions stand alone, and do not count as part of the votes cast. For example, when a vote is called for to accept the minutes or a treasurer's report, all those in favor signify by a show of hands and those opposed signify by a show of hands. All voting participants must raise hands to signify their vote. If the vote is a tie, the Chairperson may break the tie with a vote at his/her discretion, or may call for the matter to be returned to the groups for a Group Conscience decision, and be brought back to the next ASC meeting.

2. Election Voting

All election voting shall be conducted by a written ballot vote. A two-thirds (2/3) majority vote of the voting participants of the ASC, provided there is a quorum, shall reflect and record the collective conscience of the ASC for all elections. The two-thirds (2/3) majority needed to pass a motion shall be determined from the total number of votes cast; abstentions stand alone, and do not count as part of the votes cast.

3. Procedure Voting (guideline changes)

All motions for procedural guideline changes or creation of ASC procedure shall automatically be referred to the Administrative Subcommittee for recommendation. The Administrative Subcommittee shall recommend a course of action. These motions with their recommendations shall then be sent to groups to vote on, and then voted on at the following ASC meeting. A two-thirds (2/3) majority vote of the voting participants of the ASC, provided there is a quorum, shall reflect and record the collective conscience of the ASC for all changes to these guidelines, other procedural motions, and budgets. The two-thirds (2/3) majority needed to pass a motion shall be determined from the total number of votes cast; abstentions stand alone, and do not count as part of the votes cast.

4. Abstentions

If an issue comes before the ASC that directly affects the groups or is thought to be of such importance to the NA fellowship, the Chairperson shall have the option to poll abstentions, if the Chairperson feels these abstentions would change the outcome of the motion.

XVII. Nominations

Our 4th Concept states: "Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants."

When selecting a participant of the ASC, we have a spiritual responsibility. If we place someone in a service position that does not have a working knowledge of the Twelve Steps, Twelve Traditions and Twelve Concepts of NA Service, *then we bear the responsibility* if this participant is unable to perform his/her responsibilities in a manner consistent with our principles.

At the ASC meeting in June, nominations of ASC positions shall be solicited. ASC Participants who have not served two (2) consecutive terms shall be able to run for another term of office at the July ASC, unless they decline to run.

1. Nomination Procedure

At the time of nominations at the ASC meeting in July, the nominee must be present in order to accept the nomination. Directly before the floor is opened for nominations, the Chairperson will state the qualifications and responsibilities of each position, as outlined in these guidelines.

A nomination shall be submitted only with the knowledge and consent of the nominee. Each nominee shall then state their qualifications for serving the fellowship as a whole (state clean time, a brief service history, and his/her qualifications for the position, and why they can and want to serve the fellowship). The participants of the ASC shall question each nominee concerning matters relevant to their possible election. Each nomination must be seconded. ***Once seconded, all nominations will be sent to groups to vote on, and then voted on at the following ASC meeting. All nominees must submit their written qualification to the Secretary to be included in the minutes.***

2. No Waiving of Guidelines

It is recommended that the South Dade ASC not waive guidelines. Motions to waive one part of the guidelines on a temporary basis should be rare and only used to solve a critical or emergency situation that is time sensitive. ***A motion to waive or suspend guidelines shall require unanimous consent to pass.***

If a Guideline is not serving the needs of the ASC, it should be changed or modified. All procedural guideline changes or creation of ASC procedure shall automatically be referred to the Administrative Subcommittee for recommendation. The Administrative Subcommittee shall recommend a course of action. These motions with their recommendations shall then be sent to groups to vote on, and then voted on at the following ASC meeting. A change in guidelines shall require a two-thirds (2/3) majority.

3. No Waiving of Clean-time

It is recommended that the South Dade ASC not waive the stated clean time requirements in order to elect someone to a position. Motions to waive clean time on a temporary basis should be rare and only used to solve a critical or emergency situation. ***A motion to waive the stated clean time requirements shall require unanimous consent to pass.***

XVIII. Elections

Elections of all ASC positions shall be conducted yearly with nominations brought to the ASC in July, and elections held in August.

1. Election Procedure

Elections of ASC positions shall be conducted in August by written ballot, concealed, and tallied by the Secretary and the Vice-Chairperson. All nominees must be present at time of election. The Chairperson shall announce the election results. All written ballots must indicate the voting participant and the vote cast. Balloting procedure is to be followed until one candidate has received a two-thirds (2/3) majority vote. Election results shall not be published by number in the ASC minutes.

2. Single Nominee

XXVI. Group Service Representative (GSR)

One of the first things a GSR does at the ASC Meeting, after giving the group's contribution to the ASC Treasurer -and getting a cup of coffee- is to fill out a Group Report Form. You will find these blank forms on the flyer table, or ask the Assistant Secretary. GSRs, through the authority delegated to them by their groups, should fully participate in the meetings of the ASC by responsibly exercising their best judgment and voting their informed individual consciences on day-to-day South Dade ASC business. Listen carefully and be sure to write down any announcements that you need to make your group aware of. If any issues come up where you need to vote, be sure you understand what is going on; if not, ASK. Don't base your vote on what everyone else does.

Pick up a sufficient number of copies of the RSC Activities Calendar of Events, together with any flyers, newsletters, etc. that you will find on the flyer table, and make them accessible to the members of your group, to make sure that your group is fully informed of the fellowship's on-going events.

Check the latest edition of the Dade County Meeting List. See to it that all information is correct. If not, please make sure to indicate the correct data in the "Meeting List Changes" form.

When a GSR is not present for two (2) consecutive ASC meetings, his/her group will no longer be on the Roll Call or part of quorum. When a GSR returns to an ASC meeting, the group will be included once again. The GSR of any group that has been removed from the Roll Call will not receive a copy of the monthly ASC minutes until said GSR returns to the ASC meeting.

XXVII. Service Inventory

Our 9th Tradition states: "N.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve."

The South Dade Area Service Committee exists to carry the message of recovery in accordance with the principles of this tradition. As such, the South Dade Area Service Committee should always review itself periodically. Service committees, like individuals, often vary in personality. Some grow and thrive, while others struggle to survive, and some even fail. A service inventory will help the South Dade Area keep things on track.

A service inventory, much like an individual inventory, should reflect both the strengths and weaknesses of its services and participants, its growing pains, suggestions for improvement and its adherence to the Twelve Traditions of NA.

Emphasis should be given overall to how the South Dade Area is performing its responsibilities to the participants it serves. This inventory shall be done at least once a year in June, but may be scheduled at other times if it is desirable to re-focus the Area on its mission.

Each participant of the ASC shall answer the questions contained in this format prior to arriving at the service inventory meeting in June. Other topics may be included that address current issues or concerns that the groups, the Area, the Region, or NA as a whole is facing at the discretion of the ASC. The service inventory shall include the following questions:

Generally, the inventory can be broken into two (2) parts:

How did I do in the performance of my duties?

- Do I show up?
- Do I know what I am supposed to do? If not, have I consulted the South Dade ASC Guidelines, the Guide to Local Services, or the person who held this position before me?
- Do I do what I am supposed to do?
- Do I represent my group's conscience?
- Do I keep my Group, Subcommittee or Area, informed about the Area, Region and World Services?

How did the South Dade Area do in performance of its functions?

- As a representative of a meeting or subcommittee, do I feel confident that the South Dade Area will help my meeting or subcommittee resolve any problems it may face?
- Do the South Dade Area subcommittees serve the needs of my meeting or NA as a whole?
- Is my group's conscience being sought and heard when matters arise, which affected my meeting or NA as a whole?

Our 12th Tradition states: "Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities".

Does the South Dade Area remember our 12th Tradition and do we "place principles before personalities"? We are a spiritual fellowship. The function of the South Dade Area is to allow the message of recovery to be carried through the services we provide. When we respect each other, even though we might disagree, and adhere to the principles stated in each of our Traditions, we are a unified entity serving the fellowship of NA within the South Dade Area.

XXVIII. Flyers and Printed Material

All flyers concerning announcements of NA functions at facilities not affiliated with N.A. must state so; i.e.: "NA is not affiliated with this facility."

When designing flyers or printed material remember that they are released in Hospitals and Institutions as well as other facilities which relate to NA. Appropriate use of language and artwork is crucial because these items, in a sense, represent NA to the public.

Any participant of the ASC may distribute flyers and other forms of printed material regarding announcements of N.A. functions. However, in an effort to avoid duplication of material, fees, annual effort, postage or other costs, all printed material will be made available during the ASC meeting.

All flyers and other printed material will be placed on display at a specific location and may be picked up before or after the ASC meeting or, one at a time, after an oral presentation to the ASC is made. All left over flyers and printed materials will be picked up by Literature Distribution Coordinator. In the absence of the Literature Distribution Coordinator, any participant of the Administrative Subcommittee can do it.
