

Unity Session Profile

NEZF April 2017

A - There is a range of experience among NA members, from newcomers to those with a long service history/resume

Large Group

1. How much open mindedness do you have for the experience/input of:
 - a. Newer members
 - b. Experienced Members

(Split into small groups separated by newer and more experienced member tables)

Small Group

1. What was your experience like working with addicts with:
 - a. more/less experience than you

B - The principles of respect, integrity, open mindedness and others all contribute to an atmosphere of recovery and in building group conscience.

(Split into small groups but not separated by experience)

Small Group

1. How do you encourage/bridge the gap and combine the enthusiasm and experience we know are valuable?

Wrap up

Large Group

Please share any individual solutions not yet shared from today's workshop that you find interesting.
