

# H&I Basics Survey

The deadline for this survey is 31 March, 2024

This survey is posted at [www.na.org/survey](http://www.na.org/survey). It is easier for us when members fill the survey out online, but if you would prefer to email it, please send it to [handi@na.org](mailto:handi@na.org)

There have been many changes in the world since H&I Basics was first published in 2010, and NAWS has heard of many adaptations and new approaches. You may have experience in all the areas below, or just one. We appreciate your willingness to help us.

This survey is intended to help create new resources for H&I service. Our current vision is to have three H&I Basics – one focused on corrections, drug courts, and sponsorship behind the walls; another focused on carrying the message into treatment facilities; and one more on H&I committees and their function. We are open to wherever the Fellowship input leads us but wanted to give you an idea of how much we see there is to do.

We need and want your help to revise our H&I resources to illustrate the range of current H&I experience.

What are the most important points to be included in H&I Basics in the following areas:

1. Why serve in H&I?
2. H&I Committees
3. Corrections
4. Treatment centers
5. Sponsorship behind the walls
6. Use of technology
7. Is there anything else that needs to be covered in H&I Basics that is not included above?

Please let us know if you have any questions. We ask for contact details so that we can follow up to gather additional information if needed. Providing your email address is optional.
