Bringing the NA program Online to jails and prisons
What to consider for online meetings:

- Getting started
- Technical issues - working with IT
- Security changes but still important
- Volunteer recruitment
- Literature delivery
- Reentry programs - a separate challenge
- Beyond Covid-19
Getting Started

- Develop an inside champion - Chaplain or Volunteer Coordinator
  - Goal is to make a presentation to the correct decision maker to make it happen
- Get permission from the decision maker: Warden or State Director of Prisons
- Have a meeting that hopefully includes:
  - Warden
  - Information Technology (IT) dept head
  - Head of Security
  - Watch Commander for the time of the meeting
  - Chaplain or Volunteer Coordinator
Technology

Access:
- Wi-Fi
- Internet
- Telephone
- Mail

Applications:
- Zoom (preferred)
- Google Meet, WebEx, GoToMeeting, etc.
- Custom or older Apps
- The facility selects the app, NA adapts
Technology

If Wi-Fi exists and is sufficient:

- A cart that has:
  - Laptop with Wi-Fi capability
  - Projector to show meeting against the wall or screen so all inmates can see
  - Speakers
  - Necessary cables and extension cord

If inmates are allowed to speak, they can come up one at a time to the laptop microphone.
Technology

- If no Wi-Fi exists
  - An internet connection that may be in a dedicated room such as education or visitation room
  - Laptop or desktop with internet connection
  - Projector to show meeting against the wall or a screen so inmates can all see
  - Speakers
  - Microphone
  - Necessary cables

If inmates are allowed to speak, they can come up one at a time to the microphone or podium
Technology

- If no Wi-Fi and no internet exists
  - Telephone meetings
- If no Telephone
  - Speaker CDs on a CD player
  - NA recovery material on CD/DVD
Security

- Make as few changes as possible! Everyone is watching and any security issues will have a bad effect on NA as whole. This is new and it has consequences beyond Covid-19.

- Use only the NA volunteers that were already cleared or use the standard volunteer clearance procedures. Anything else, get it in writing.

- Some facilities may have fewer restrictions but not many. Again - Get it in writing.

- Prisons and jails may require a picture of the cleared volunteers or the volunteer may be required hold up a badge or drivers license to start the meeting.

- Inmates needing to be anonymous can turn off their video.
The security people are concerned with unauthorized people passing messages.

- Gang related messages.
- Information used to smuggle contraband.

The panel meetings should be encrypted and password protected.

The ID of the meeting and password should be carefully handled. Email or text only to the people cleared for that meeting and authorized staff at the facility.
Advantages to recruit Online Volunteers

- No travel
- Less hours
- One panel can reach multiple segregated cell blocks. Even multiple prisons!
- May be handicapped or have mobility issues.
- Can be from outside the Area if the facility permits.
Literature and NA Materials

- NA literature should still be donated to the facility either by dropping off at the site or using the postal service to mail materials.
  - This should be done regardless of the state of online meetings.
- If the staff is OK with it, ask them to pass some out during the panel meeting.
- After checking with the staff that it is available, refer to the NA material in the facility library at the end of the meeting.
- Consider donating speaker CDs if the facility allows.
- The facility can print most literature free of charge.
NA is Culturally Adaptable Literature in over 70 languages
Don’t Forget Reentry Programs

- This is often neglected and should have a PR/H&I presentation regardless of the state of online or physical meetings.

- Most facilities have a reentry program. Contact the Reentry manager and do a joint NA PR/H&I presentation to them. The goal is to get the facility to go to the local and world NA websites and print off meeting schedules and possibly other NA materials such as IPs to be given to people being released. This includes prisons, jails, and treatment centers.

  - Material should include meeting schedules, hotline numbers, and for the time being, instructions to get online and also phone only meetings. May need to update frequently.

  - In the case of prisons, this may require working with the facility IT personnel to allow access to the NA website.
What can H&I subcommittees Do during Covid-19?

- Online H&I panels
- Phone meetings
- CD/DVD donations
- Donate Literature
- Reentry programs printing NA meeting schedules
- Steps/Sponsorship Behind the Walls
- Maintaining the relationship!
It’s Happening Now!

- Crisis also means opportunity!
- New Mexico has seven H&I panels in jails and prisons weekly. Ten more prisons are in process now. We are expanding.
- Australia and Brazil have already gone online and expect to stay that way.
- Many prisons in Mexico have gone online this year.
- Mexico and Brazil are doing joint international H&I panels with translators. 10 prisons at once!

- Carry the message online!
A Vision Beyond Covid-19

- Crisis also means opportunity!

- Many prisons are in remote areas away from where the most NA volunteers live. After things are up and running online in one facility, NA PR/H&I people can use working examples to encourage bringing the NA message to more remote facilities.

- Visualize a special event where a single NA panel that has a circuit level speaker with clearance broadcasting online from their home (no travel costs) to multiple cell blocks in multiple facilities across the USA or even the world. Similar to prisons joining the World Convention of NA.

- Can be recorded for playback in different time zones.
