Motion 1: Acting as the trustor, the delegates present at the virtual WSC 2022, are continuing the suspension of Article 5, Section 3 of the FIPT Operational Rules, while we make a decision about the future. This suspension will expire at the close of WSC 2023.

Intent: To extend the existing FIPT moratorium on the FIPT inspection clause in the Operating Rules for one year.
The Fellowship Intellectual Property Trust (FIPT)

Motion 41 is a simple motion with a lot of background. The motion seeks to incorporate a mandatory on the registration dates of the Fellowship Intellectual Property Trust (FIPT), for every seven years so that it can remain in place until the 2023 World Service Conference, at which time the World Service Trustee is to consider the FIPT and its contents from the 2022 c.c. forward. Motion 41 was strongly worded, a decision made by the last conference to account for the longer than usual conference break.

The 20th World Service Conference made the following motion by consensus:

**Acting on the motion, the delegates present at the 2020 NWC 2020, are suspending Article 3, of the FIPT Operational Rules, while we work on a decision about the future. This suspension would expire at the close of NWC 2022.**

- 14 Nov. 20-21, 1,800.000, 2-adopt, no voting
- Carried with Committee Support

In a nutshell, the FIPT is a legal document that spells out the decisions that the Fellowship of NA has collectively made about our intellectual property, that is, our recovery literature and traditions. Perhaps the biggest challenge to World Service is to protect NA’s recovery property and in particular the Fellowship of Narcotics Anonymous, who is the Beneficiary of the Trust.

The language of the FIPT right is a purpose of interest as it is held and administered by recovery literature and other intellectual properties of the Fellowship of Narcotics Anonymous in a manner that will help millions find recovery from the disease of addiction and that message is conveyed to the world. The NA Fellowship

There are many resources and reports that detail the history of how the FIPT came to be....
Legal document — the decisions the Fellowship has made about its “intellectual property” (literature and trademarks) and how these are protected.

The Operational Rules describes how FIPT is to be administered.

- Article 5, Section 3: suspended temporarily at 2018 WSC.
- WSC 2020 continued the suspension until WSC 2022 so that revisions to the Operational Rules could be discussed in-person.
Motion 2: To extend the terms of the WSC elected positions for the two Human Resource Panel members and one WSC Cofacilitator currently set to expire in 2022 to 2023.

**Intent:** To acknowledge the change in conference cycle due to the global pandemic.

Motion 3: To extend the terms of the three WSC elected positions on the World Board currently set to expire in 2022 to 2023.

**Intent:** To adjust for the change in conference cycle due to the global pandemic.
**Motion 4:** To approve the book contained in Addendum B, “A Spiritual Principle a Day” as Fellowship-approved recovery literature.

**Intent:** To have an additional piece of Fellowship-approved material available for use by NA members, groups, and service committees.

**Financial Impact:** The cost of creating this material has already been incurred. The only additional costs that would result from adopting this motion are initial production costs, which would be minimal.
