Best Practices for Virtual NA Meetings – Draft for review
September 2021

This document is the second draft of a new piece of service material for virtual meetings.

The Local Service Toolbox Project has two current focuses: 1. best practices for virtual meetings and 2. how virtual meetings are connecting to the wider world of NA, including service delivery. This draft is related to the first focus.

We have posted a short survey to gather input on this draft and posted it here www.na.org/toolbox until the end of November, 2021.

This draft contains guidance on a range of topics related to virtual meetings that we believe the Fellowship is looking for shared experience about. Please view what follows as a work in progress. Your input will continue to improve this draft.

Contents
- Introduction
- Choosing a meeting platform
- Listing meeting information
- Meeting etiquette
- Tips for attending a virtual meeting
- Keeping a virtual meeting secure and dealing with disruption
- Maintaining personal anonymity
- Welcoming newcomers and helping them get connected
- Sponsorship
- Signing meeting attendance cards
- Making meetings accessible for members with additional needs
- Practicing the Seventh Tradition
- Distributing literature and keytags
- Additional service positions for virtual meetings
- Hybrid meetings

Introduction
This pamphlet uses the term “virtual meetings” to mean any NA meeting that is not held in person. This includes meetings that meet on the internet and via phones. Virtual meetings can be offered by NA groups, by service bodies, and may also occur informally between friends.

Virtual meetings have been in existence for many years in NA. Before the creation of the internet, meetings took place over the phone and through the mail. Online platforms have expanded the availability of virtual meetings and allowed for a more conventional structure, but the basic function of providing meeting time and space to those who need it has remained the same.

RECOGNIZING VIRTUAL MEETINGS AS GROUPS

Based on Fellowship input, the World Board plans to offer a motion to be considered at the 2023 World Service Conference.

In the meantime, the board encourages local service bodies to continue to recognize and embrace virtual meetings.

Highlights of work accomplished since March 2020:

• Publishing a new pamphlet: IP #30, *Mental Health and Recovery*
• Publishing 166 new translated titles and posted all IPs and booklets to na.org.
• Continuing to organize quarterly web meetings for trusted servants doing Public Relations, Phonelines, Hospitals and Institutions, and Inmate Step Writing. More information is at [www.na.org/webinar](http://www.na.org/webinar).
• Gathering zonal trusted servants to talk about the role of zones and issues related to zonal delegates.
• Continuing to ship free and subsidized literature around the world, averaging more than $440,000 annually for the last two fiscal years.
• Starting an Instagram account for NA (@narcoticsanonymous) and another for NA conventions and events (@naglobalevents).
Highlights continued:

• Answering thousands of emails and phone calls from members.
• Launching a contribution page at www.na.org/contribute that we continue to improve.
• Helping trusted servants in Florida, Ohio, Arizona, and Virginia work with correctional personnel to be able to provide tablets loaded with NA literature to inmates. And continuing to respond to contact from inmates with information and literature.
• Registering and protecting NA’s copyrights and intellectual property in numerous countries.
• Posting more audio versions of the Basic Text for free download (including English!): You can find them at www.na.org/audio.
Highlights – *just a few more*:

- Creating a media page with some of our graphical resources including an ever-growing collection of videos: www.na.org/media.
- Creating a virtual meetings resource page at www.na.org/virtual, and continuing to collect and post local resources there and on and the local service resources page at www.na.org/localresources, including a new section called Addressing Predatory, Disruptive, or Violent behavior.
- Responding to requests to participate virtually in service bodies and events around the world.

Don’t forget the *Annual Report* for the best comprehensive record of our activities in a given fiscal year: www.na.org/ar.
If 10,000 members contributed $10/month and another 10,000 contributed $20/month, we would almost reach our goal of being self-supporting.

Thanks to all, every contribution is valuable!!
