Re: Visa Applications to attend WSC 2023

We have received a number of inquiries from conference participants, regarding their need to make arrangements with the US Consulate in their communities for entry visas in order to get into the United States for the upcoming WSC 2023. WSC 2023 will be held in Woodland Hills, CA, at the Warner Center Marriott hotel, located at 21850 W Oxnard St, Woodland Hills, CA 91367, 30 April 2023 through 6 May 2023. Travelers from outside of the US who are funded by NA World Services may arrive on 28 April and depart on 7 May 2023. Please do not contact the hotel directly as these are contracted rooms and need to be handled through the WSC registration form that will be available in November.

If you need a letter in order to apply for a visa appointment with a US Consulate, we need certain information. That includes a readable copy of your passport and the address of the consulate you plan to apply to. We also need verification of your mailing address and phone number.

Please send your questions and information to [Elaine@na.org](mailto:Elaine@na.org).

Other travel details and covid protocols to keep WSC 2023 as safe as possible will be released soon.
