Reminder: This form lives online at https://goo.gl/forms/5KtUoiit26g01plc2. If you are able to access and submit the form online, please do. You will be able to revise your submission up until the 16 April deadline and have it distributed to Conference participants with registration materials. Alternatively, you can fill out this Word document and send it to worldboard@na.org. Those received by April 16 will be distributed as Conference participants register; all others will be included with materials we duplicate during the WSC. We will have blank copies at the WSC for those that need to submit hand-written responses.
