NA WORLD SERVICE SESSION INFORMATION

For the 2016-18 conference cycle, we continue to make good use of zonal meetings as an opportunity to interact and communicate with RD teams from many regions in a single setting. As we expressed last cycle, with this diminished capacity for funding travel, or holding larger workshops to reach broader portions of the fellowship, we want to explore greater partnerships with zones as a way to reach more local members. For example, one idea is to work with zones to plan larger fellowship-oriented workshops on Friday evening and all day Saturday, and using Sunday for a more formal meeting of the zone.

In any case, because of the time and resource commitment required to attend events, generally we ask that we are able to conduct a minimum of six to eight hours of sessions.

We can do more, but generally to do less does not warrant the expense of travel from NAWS. Our experience at conducting workshops is that it is also not productive if there are concurrent workshops or activities. We ask that scheduling considerations are made so that most attendees are able to attend NAWS sessions. And if NAWS is unable to attend the event, we have many tools available to help you facilitate your own workshops.

How much time is available in your agenda for NAWS? _____

How many sessions would you like NAWS to facilitate? _____

What other activities are planned for the same time frame? _____

Please offer session topic ideas. In determining the session topics, it is helpful to consider who will be attending the event. Following are some ideas for workshop topics for this cycle: one of the current Issue Discussion Topics (Atmosphere of Recovery in Service, Applying Our Principles to Technology and Social Media, How to Use *Guiding Principles*); one of last cycle's IDTs (Traditions, Welcoming All Members, Planning, and Group Support); or a topic related to one of this cycle's projects (Recovery Literature for Mental Health and a new daily book, Local Service Tools, Events and Conventions, WSC Processes, and WSC Seating). We are also prepared for other topics of interest to local members such as Building Strong Home Groups, Social Media, Planning Basics, Current NAWS Activities, Fellowship Development, Facilitation Training, or Public Relations. These are just a few ideas; feel free to forward any topics that serve your event and community or to contact us for ideas about what might be best tailored to the event and attendees.

Proposed session topics and reason for each session (more information is better here, please feel free to attach an additional sheet if the space below is not enough.):
