Zonal Assessment Workshop
Small Group Notes Sheet

Zone_________________________ Date___________________

Group:  A  B  (circle one)

**Need/Issue**
______________________________________________________________

**Goal**
(WHAT we want to accomplish)
______________________________________________________________

**Approach** (HOW we can accomplish the goal)

1. What is one approach that will help us achieve this goal? (In other words, what is one way we could accomplish this?)
   
   __________________________________________________________
   
   __________________________________________________________
   
   __________________________________________________________
   
   __________________________________________________________

2. What resources do we have available to do this (member regions, other zones, NAWS, money, individual skills/relationships)?
   
   __________________________________________________________
   
   __________________________________________________________
   
   __________________________________________________________
   
   __________________________________________________________

3. What resources do we not have that we need to do this?
   
   __________________________________________________________
   
   __________________________________________________________
   
   __________________________________________________________
   
   __________________________________________________________
