Hello,

We have a new report and a new resource to announce. Also, the World Service Conference begins in a few days, and observers are welcome:

- [Virtual Meeting Basics](#)
- [World Service Conference Livestream](#)

Annual Report

We just posted the 2021 Annual Report: www.na.org/ar. For the second year in a row, the AR is digital. If you prefer a printable, downloadable version, the PDF posted on the same page has all of the same information.

This report covers the period from 1 July 2020 to 30 June 2021. There is always a delay between the end of the fiscal year and the publication of our annual report because of the complexity of our operations. We have branches in five different countries with different currencies. We also undergo an annual external audit. We hope you enjoy the report; it gives a comprehensive look at our finances for the year.

Virtual Meeting Basics

We are very pleased to have posted the delegate review draft of Virtual Meeting Basics on www.na.org/toolbox and www.na.org/virtual. This draft has been years in the making, and many of you have helped. Thank you! It's a great resource that covers a wide range of topics about virtual meetings—from how to welcome newcomers and deal with sponsorship, clean time celebrations, and literature, to tips for going hybrid and how to keep the meeting safe from disruption.

Check it out and let us know what you think: wb@na.org. The draft is posted for delegate review for 90 days. After the review period, we will address any input if needed and post a revised version.

World Service Conference Livestream

The World Service Conference is scheduled for 22, 23, 29, and 30 April. An agenda is posted on the conference webpage: www.na.org/conference. We will livestream the conference via YouTube for members who want to observe. That link will be posted on the conference page shortly after the sessions begin.
