Subject: Price increase notification, 60th Anniversary White Book, and SPAD

Hello,

We are writing to announce several things:

- [A price increase is scheduled for 2023](#)
- [The 60th Anniversary White Book is available for sale](#)
- [A Spiritual Principle a Day was approved at WSC 2022](#)

Price Increase

We wish it was not necessary, but costs of production have risen so dramatically that we believe scheduling a price increase is prudent. Effective 1 January 2023, the price of all books and bronze medallions will increase 12%.

We are not recommending increases on the materials our NA groups most frequently give away, even though our costs have increased substantially on these items as well. That means there will be no increase to the current prices of IPs, booklets, keytags, or chips. This feels the most helpful way to show that we are all in this together and to do what we can to ease the burden on groups.

For more information, please see the memo posted at www.na.org/webstore. Again, we wish this were not necessary.

60th Anniversary White Book

At last, the 60th Anniversary White Book is available for sale. This special edition collects English translations of all 85 stories in the 13 language versions that have local personal stories plus the eight stories in the English Little White Book. It's a handsome volume, and at \$15, it makes a great gift. Heck, buy yourself a present!

SPAD is Approved Literature

We have a new book on the way! *A Spiritual Principle a Day* was approved with consensus support at the 2022 World Service Conference. As is our typical practice, when the new book was approved, we removed the approval draft from the website. It can take around six months for production of a book after it is approved by the World Service Conference. In the meantime, we intend to begin offering a free daily email subscription as we do with *Just for Today*, soon. As approved literature, *SPAD*, can be read at a group level.
