NA Celebrations

NA celebrated its 50th anniversary in 2003 at WCNA 30 in San Diego, California and 2013 is our 60th! Some NA communities celebrate NA birthdays, and some call them NA anniversaries or cleantime anniversaries. In some places, you “take a cake” from your sponsor, close NA friends, and/or family members; while others mark their cleantime with a keytag, medallion, or maybe even a tattoo. And everyone celebrates being clean sólo por hoy (just for today). Images here are from the United States, Nepal, Spain, South Africa, India, and NA Way Magazine archives.
