## CAR, CAT, & WSC?

The World Service Conference brings all elements of NA World Services together to further the common welfare of NA. The WSC's mission is to unify NA worldwide... (WSC Mission Statement)

**2020 World Service Conference**  
**26 April–2 May**  
**Woodland Hills, California**

During the months leading up to the World Service Conference (WSC), NA members around the world gather to discuss issues and motions presented in the *Conference Agenda Report* (CAR) that will be considered by the WSC. Many also review the Conference Approval Track (CAT) material. Find out what happens at the WSC and what to expect in pre-Conference mailings and reports [here](#) and at [www.na.org/conference](http://www.na.org/conference).

## Issue Discussion Topics

IDTs are discussed by members in NA communities around the world to encourage deeper consideration of topics affecting our Fellowship. Your conversations can help build unity within groups and service bodies, and can help shape Fellowship-wide resources and services. The 2018–2020 IDTs are:

- Carrying the NA Message and Making NA Attractive
- Attracting Members to Service
- Drug Replacement Therapy (DRT) and Medication-Assisted Treatment (MAT) as It Relates to NA

Visit [www.na.org/idt](http://www.na.org/idt) for workshop outlines, PowerPoint presentations, handouts, and other materials for IDT discussions or workshops. Share your discussion results by emailing [worldboard@na.org](mailto:worldboard@na.org). For a summary of this cycle's IDTs, click [here](#) (or see pages 22–23 of the 2020 *Conference Agenda Report*; [www.na.org/conference](http://www.na.org/conference)).

## Project Updates

World Services projects spring from World Service Conference decisions, and the World Board is responsible for each project being completed. They do this by creating workgroups comprised of NA members from around the world. For some projects, the Board engages all interested members through web meetings and focus groups to discuss, review, and create material. The Spiritual Principle a Day (SPAD) Book Project's current work is updated on page 8 of this *NA Way*. The other four 2018–2020 World Services projects—WSC of the Future, Training and Tools, "Mental Health in Recovery" IP, and FIPT Operational Rules & Bulletins—are updated [here](#) (and in the 2020 *Conference Agenda Report* on pages 2–3 and pages 10–21; [www.na.org/conference](http://www.na.org/conference)).
