

1 May has been identified as Service Day. Here is a link to a flyer with more information:

<https://www.na.org/admin/include/spaw2/uploads/pdf/nawsevents/Service%20Day.pdf>

Below are ideas we have received. As new ideas come in, we will share them here. Thanks to all for your service efforts.

IDEA:

1. We have 3 meetings on that day - we plan on asking them to put up posters and change the topic for the meeting to match the theme... eg anything around service

2. We have an Area Service Committee Meeting on that day - we plan on asking members to go around and share something about service and/or use a word cloud presentation for something different.

- What are the Benefits of doing service?
- Why am I grateful for service?
- What spiritual principle comes to mind when I think of service?

3. Social Media: Setting up a Service related topic Facebook Poll to encourage participation on the day

IDEA:

Rural Service Development workshop that would involve navigating the NAWS Website through a Zoom Screen Share to educate attending members on the existing resources currently available on the NAWS website. This workshop would be in the last hour of a 4 hour block, from 2-3pm. This workshop would include a brief 10 minute presentation at the beginning on "Best practices for starting meetings in isolated areas"

IDEA:

Members will gather locally and also via Zoom for a workshop to share about their participation with Fellowship Development efforts, worldwide.

IDEA:

Neighborhood Cleanup. Meet at 5 pm, bring gloves and yard cleanup tools if you can.
