Thanks for your interest in offering input on the fourth batch of draft entries developed for the Spiritual Principle a Day (SPAD) Book Project. Review and input (R&I) ensures that the book reflects the Fellowship’s vision and captures our experience with the daily application of spiritual principles. Your input will shape the revision of these drafts, and provide additional direction for the remainder of the book.

Thank you, in advance, for identifying what you relate to or find useful, and for pointing out where and how the tone strikes you as off. This kind of conceptual feedback is most useful at this stage. We know that word-smithing can be hard to resist. Offer edits, if you’d like, but please let us know what they intend to remedy.

Visit [www.na.org/spad](http://www.na.org/spad) to access electronic input forms. There are ten e-forms for this batch: one for each of ten spiritual principles in this batch. You’ve accessed the printable version of the input forms.

You can submit your input on one principle at a time, OR you can compile your input overtime on a printed PDF and enter your input online at a later date. We will accept paper forms, but would appreciate it if you would enter your data via the e-forms if possible.

**The deadline for input on R&I Batch #4 is 31 January 2021.**

Visit [www.na.org/spad](http://www.na.org/spad) for background on the project and other ways to contribute.
